

1. To use the stand pull the legs on the frame away from one another.

2. Open all profiles.

3. Remove the cover.

4. Place the poster and the cover in to the frame.

5. Close all profiles.

6. Insert the header board holder from the top between the two sides of the stand.

7. Click the lower pins of the holder in to place under the hinge.

8. Insert the header board in the channel of the holder.

9. Hang the leaflet dispenser (optional accessory) on the side hinge.
